

Extending Working Lives

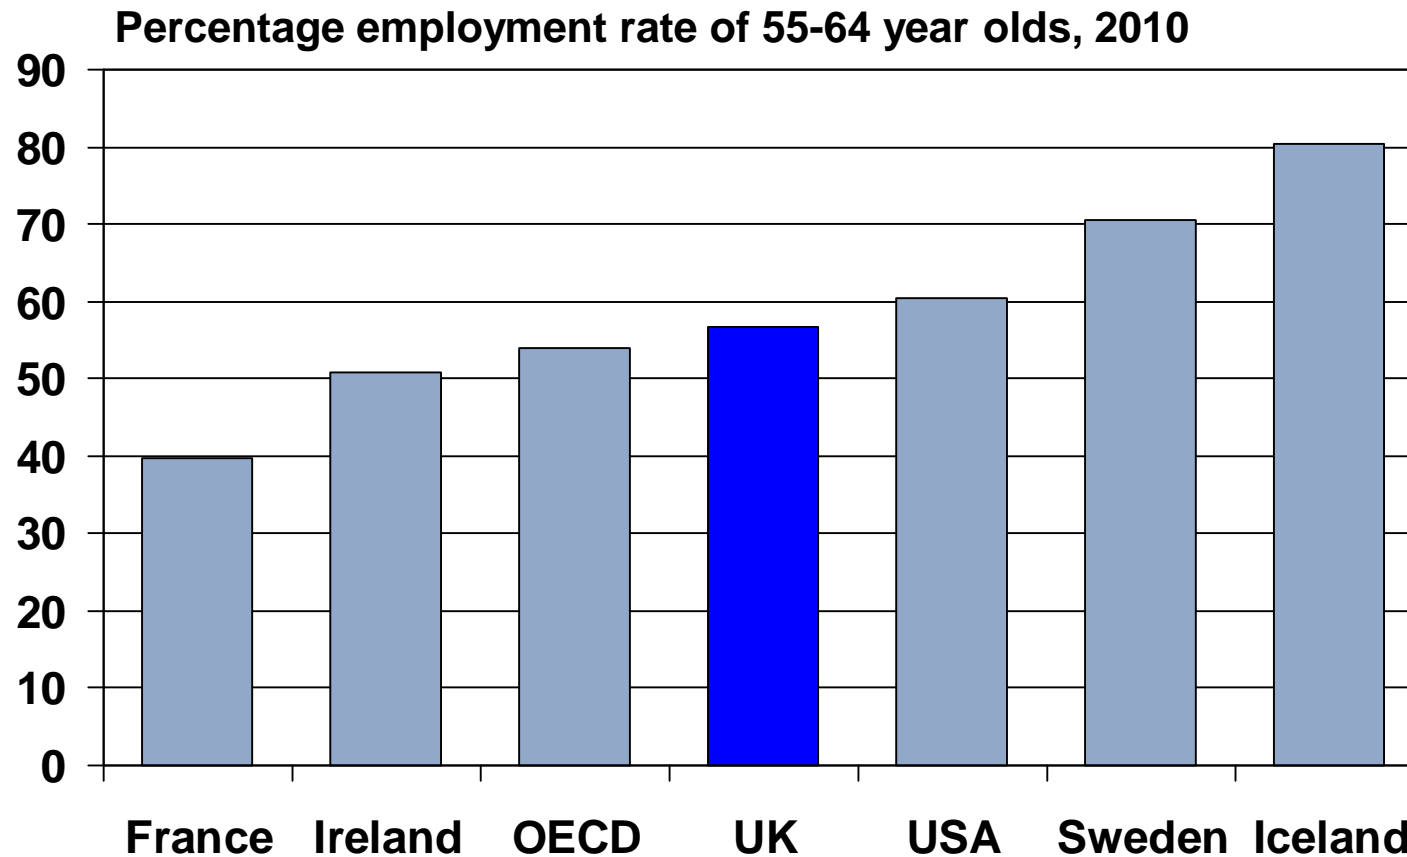

Adrian Richards

**Lead Analyst: Pensions and Ageing
Department for Work and Pensions**

The Pensions Commission set out a choice:

- Poorer Pensioners
- Taxing more
- Saving more
- Working longer

Different employment levels across countries

Source: OECD, Employment and Labour Markets: Key Tables, 2011

The OECD identifies three areas for action to encourage working longer

- Financial incentives
- Barriers on the side of employers
- Older workers' employability
