

Knowledge Sharing Seminars

An introduction to the UK Pensions system

2023 / 2024

Topics Covered

- Automatic enrolment
- History of pensions
- Investments
- Market changes
- Private pensions (DB, DC, CDC)
- Recent policy developments
- Regulation
- State Pension
- State Pension age (SPa)
- Taxation
- Workplace schemes

The PPI's Knowledge Sharing Seminars provide an excellent introduction to the world of pensions. Covering both the private and State Pension landscapes.

Delivered in an informal conversational format the seminars are designed to cut through the jargon and help you understand the landscape today and how and why we arrived here, plus coverage of recent policy developments.

Join us and let us unravel the world of pensions for you!

Seminar Dates:

All seminars are held virtually and are split into 3 "bite size" modules, you are booking to attend all 3 dates.

October 2023

Module 1: Tuesday 17 October
